Focus on Service

Great response whenever I have questions or health issues... Concierge is efficient, polite, always replying with the right answers. A pleasure.

Jean P.

Excellent student health insurance plan! It's exactly what I needed when I moved here to the US a few months back for this student exchange program. Great health coverage, and service. Thank you, WellAway!

Irma S.

Personalized service with real people answering your questions, and genuinely caring about solving issues. Contrary to most insurance companies, they actually do a follow up on their own. Keep providing this personalized service, it's your major asset which is hard to get from other insurances.
