La Vie à l'Etranger 3000

Our CFE complémentaire is the most complete health coverage available to french citizens. ACA-compliant coverage specifically for US-bound french national expatriates with Caisse des Français de l'Etranger coverage.

This benefit-centric product, for your home away from home, provides health coverage, preventive medicine and access to medical services uniquely designed to supplement you as a member of the Caisse des Français de l'Etranger (CFE). As a proud advocate of French communities across the globe, we are committed to developing a support system for French citizens to maintain a healthy bottom line and robust protection.

Our LVE "complémentaire" is a health product for French citizens that efficiently tops off their CFE reimbursements towards their out-of-pocket costs. If you are not currently a CFE member, you may enroll at the time of application. We offer ACA-compliant essential coverage that satisfies the requirements of the USA's healthcare regulations and mandates. In fact, our plans are the only ACA-compliant "complémentaire" to CFE option available.

About the CFE

Created in 1978 specifically for French nationals living abroad, the CFE is a voluntary social security fund, financially independent, but governed by the French Social Security Code that ensures continuity of coverage during expatriation or return to France. It allows expatriates to have, regardless of their situation, the same social security as in France. The CFE offers a variety of social protections including: disease & maternity, work-injury and pension planning (retirement).

A seamless integration with the CFE, makes it easy.

As an official partner of the CFE, we provide the option to integrate your plan seamlessly with CFE membership. Reduced out-of-pocket costs, a combined application process, and streamlined reimbursement are just a few ways in which we have partnered with the CFE to provide the most comprehensive benefits available to French citizens. Members can enjoy our convenient direct-billing services that enables a unified reimbursement process. Your ConciergeCare counselor serves as your single point of contact for all service and inquiries regarding your CFE "Complémentaire."
