

Pharmacy Discount Card: GoodRx

Generic and certain brand medications are covered on a reimbursement basis for the treatment of an Acute Illness or Injury. A prescription by a Physician is required and for a maximum supply of ninety (90) days for any one (1) prescription. Prescription medications are subject to the deductible and payable at 80%. WellAway will provide a link to an Rx discount card for your convenience. Prescription medications related to a pre-existing condition are not covered.

Submit all prescription receipts and submit a claim by completing the [WellAway U.S. claim form](#) located in the [Resources](#) section of this guide as well as on your member portal at [wellaway.com](#). You may also request a claim form by contacting a ConciergeCare counselor. Completed claims, along with the required supporting documentation, must be submitted via your [member portal](#). You can also submit the claim via email at conciiergecare@payerfusion.com.

How to Use GoodRx

How do I find discounts for my drug?

It's easy. Just go to the home page, www.goodrx.com and type in your drug's name in the search field, and click the "Find the Lowest Price" button.

We'll even help you spell the name of your prescription.

What are GoodRx coupons?

GoodRx coupons will help you pay less than the cash price for your prescription. They're free to use and are accepted at virtually every U.S. pharmacy.

Your pharmacist will know how to enter the codes on the coupon to pull up the lowest discount available.

How do I use a GoodRx coupon?

It's similar to using a coupon at a grocery store. Simply print the coupon and bring it with you to the pharmacy when you pick up your prescription. The pharmacist will enter the numbers on the coupon into their system to find the discount.

Don't have a printer or want to save paper and ink cartridges? You can show the coupon on your phone by:

- a) Sending the coupon to yourself via email or text
- b) Or using our [mobile app](#)
- c) Or visiting our mobile website
