CONCIERGE CARE

A COMPREHENSIVE HEALTH COVERAGE FOR YOUR EXPATRIATE LIFESTYLE.

The WellAway Akin product is the ideal alternative for those expats seeking rich, Obamacare-like coverage while residing in the USA. Among the great features of Akin is a lower premium cost and benefits mirroring that of our ACA certified products. Like the La Vie À L'Étranger and New American products, it includes worldwide coverage for your travels outside of the USA and offers additional options to add dental and vision coverage.

At WellAway, we are eager to provide you with a robust plan. Along with the additional worldwide coverage, repatriation and evacuation are also integral features of the product.

Additionally, access to WellAway's ConciergeCare services is available to all Akin subscribers. Assistance with provider selection, medical appointments, policy coverage issues and understanding the rich scope of benefits is just a phone call away with multi-lingual capabilities!

(For French nationals subscribing to the Caisse des Français de l'Étranger, you can use Akin as a top up plan!)
